**SEED GROWERS AND MERCHANTS  
ROCKFORD, ILLINOIS**

**TO OUR PATRONS AND FRIENDS:**

We take pleasure in handing you our new Special Wholesale Price List for New Crop and Best Seeds that Grow. ALNEER'S SEEDS always give BEST RESULTS wherever planted.

Allow us to thank you for liberal orders and kind words for Alneer's Seeds, in the past. We assure you that we appreciate both very much.

**WE TEST OUR SEEDS**

We wish it distinctly understood that we TEST all our seeds before sent out, and only those that have proven themselves good are sent.

While we exercise the greatest care to have all seeds pure and reliable, it is hereby mutually agreed between ourselves and the purchaser that we are not in any respect liable or responsible for the seed sold by us, or for any loss or damage arising from any failure thereof in any respect. A. B.

**HOW SEEDS ARE SHIPPED**

The prices in this list do not include transportation charges. Seeds are sent by express or freight at buyer's expense. When so desired we will send by mail, but whenever this is done postage must be added at the rate of 10 cents per pound, 15 cents per quart for peas and beans, and 12 cents per quart for corn, in the United States. For Canada 16 cents per pound, quarts double that of the United States.

We make no charges for boxes, bags, packing or cartage.

Please specify how you want the seeds shipped: If by express or freight. When no directions are given we shall exercise our best judgment in the matter.

The American, United States, Adams and Wells-Fargo Express Companies have offices here. Please specify which line to ship by.

**DO NOT ASK FOR CREDIT**

Our terms are strictly CASH. Accompany all orders with the CASH.

**NAME AND ADDRESS**

Please remember to write your name, Postoffice, County and State as distinctly as possible, especially the name; also the nearest Express office.

Money can be sent by Postoffice Money Order, Bank Draft, Registered Letter or Express Company's Money Order. Please do not send individual checks, as it costs us 25 cents extra to have them returned to your city to be cashed.
